# Stage 12 – Top Tips

- **Navigation:** Errors in the past have been turning around the church at 7 miles, or finding Public Footpath 42 at 9.6 miles. We also had errors last year on the very last turn (sharp right onto the road to the finish).
- Much of this stage is run on roads, so take care. There are also three busy roads to cross – as ever, it's not worth taking any risks with these.
