Stage 21 – Top Tips

- **Navigation:** Many runners have gone wrong turning on to the towpath at 0.6 miles. You need to cross a river and a weir before reaching the towpath. After that it is along the Wey Navigation until tricky turns at 6.7 miles to reach the Thames towpath.
- You cross busy roads at 4.5 and 5.8 miles. Take care, no matter how much of a hurry you are in.
